

Book 4 of 5 · Armored Fail Fast · a five-book set

Armored Fail Fast

The Punch List

Check it off.

What this is. The companion piece: every step of the three routes as a box to check, in order. Use it next to Books 1–3. Done when every box on your route is checked.

Book	Title	What it does
1	The Pre-Assessment	Fail fast on the practice exam.
2	The Performance Assessment	Fail fast on your own draft, rubric in hand.
3	The Objective Assessment	Take it, see what happens, and mine the coaching report.
4	The Punch List	Every step of all three, as boxes to check.
5	The Adventure Guide	The breadcrumb trail: what each step gives you, and where the whole path leads.

Domain-free. No institution's course, rubric or assessment content is used or reproduced; examples are invented. Method © 2026 Erik Daniel Lindquist — Guided Mastery · Course Mastery Coach, armored. Drafted with AI assistance under his direction.

Before any route	Done	Date
[] Read the six beliefs and the seven traps once		
[] Pick the route: 1 pre-assessment · 2 performance assessment · 3 objective assessment		
[] Print the worksheets for that route		
[] Block the time: one sitting for a measurement, one for sorting		

Route 1 · Pre-assessment	Done	Date
[] Take it before I feel ready		
[] Think aloud on paper: # · concept · answer · sure/unsure/guess for every item		
[] Pull the report; shuffle options before looking back		
[] Every item into the triage grid		
[] Every miss typed: inversion · confusion set · slip		
[] Anchor row for every concept: rule · trap · tell		
[] Armored drill run on paper, strip filled before the options		
[] Every miss re-proved with a transfer item		
[] Plan re-aimed by leverage		
[] Re-measured cold		

Route 2 · Performance assessment	Done	Date
[] Each aspect rewritten as its competent line: verb · object · deciding element		
[] Fast, complete first draft — one heading per aspect		
[] Day-one audit: a page and paragraph for every aspect		
[] Strip filled for every aspect: verb · decider · where · score · sure		
[] Mold named on every aspect not competent		
[] Sure-but-can't-point-to-it aspects fixed first		
[] Not-evident aspects fixed next		
[] Cold read after a night, or aloud, or by someone with only the rubric		
[] STOP check: every aspect located and competent-and-sure		
[] Submitted		
[] Evaluator comments logged by aspect and mold		

Route 3 • Objective assessment	Done	Date
[] Checked the attempt and retake policy		
[] Took it rested, answered every item		
[] Passed → logged and moved on		
[] Not passed → coaching report copied into the ledger		
[] Areas ranked by leverage; durable gaps first		
[] Pre-assessment retaken as a diagnosis, one question at a time, sounded out		
[] Where (report) lined up with why (retake)		
[] Flagged areas armored with transfer items		
[] Drill sure-and-right in every flagged area		
[] Retake requested and taken		
[] New report added as the next column		

After	Done	Date
[] Trap tally read: the biggest number is the next thing to drill		
[] One line in my own words: what I own now that I didn't		
[] Next course or next step chosen (Book 5)
