

Filing_8_Working_Discipline_and_Context_Porting

Packet 8 of 9 — Working Discipline and Context Porting

The working discipline as a portable standard — the lock as governing frame, standing principles, decision discipline, seven failure modes converted into gates, language as governance, and context porting as a method. **Scanned before deposit: no institution, no employer, no third party, no individual named.**

The four things that change on this form

Space	Write exactly this
1 Title of this work	Working Discipline and Context Porting
2 Nature of authorship	Text, selection, coordination, and arrangement.
6a Preexisting material	Text generated by artificial intelligence.
6b Material added	The discipline, its sequence and rules, and the selection, coordination, and arrangement of the text, by the author.

Everything else is the same as the other eight — author, No to work-for-hire, United States, No and No, **2026** in 3a, **3b blank**, claimant, **No** in Space 5, contact details, tick author, sign in ink, date.
